

## **Homework Activity**

**Task:** Ask students to go home after Class 1 and interview their parents or neighbors. Tell the students they are to pretend to interview a new client. Ask students to interview using the:

2. Safety and Security Checklist
3. Special Concerns Checklist

Students should share their interviewing experience at the next class.

**Follow Up:** Reflection questions after the Interview. Discuss before beginning class 2 lessons.

How did the interview go?

What worked, what did not?

What did you learn from your interview experience?

Do you feel the checklists make you more prepared?

Did the interview made you more confident to baby sit?

From your checklists, did you learn some things that made you not want to babysit their children?
